About Glencore's coal business in Australia

Glencore Coal's Community Investment Program supports activities and programs that make a positive contribution to the communities in which we operate.

We are Australia's largest coal producer with mining complexes across New South Wales and Queensland.

In Queensland our operational regions are Glenden, Collinsville/Scottville, Tieri/Capella, Springsure/ Rolleston, Nebo/Pioneer Valley, Wandoan/Taroom and Clermont.

Glencore's Junior Sports Development Program

Purpose

The purpose of the program is to support **junior sport (under 18 y.o)** in the Queensland operational areas of Glencore's Coal Assets Australia. The program supports clubs and associations with projects that address their long-term needs. Projects should have a focus on increasing the capacity of the club/association to support participation in junior sport on a sustainable (on-going) basis.

Who is eligible?

Applications for projects are sought from incorporated, not for profit sporting clubs or associations. Communities associated with Glencore's operations will be prioritised, generally this includes the following Local Government Areas (LGA) and communities:

- Collinsville/Scottville
- Glenden
- Tieri/Capella
- Clermont
- Rolleston/Springsure
- Wandoan/Taroom
- Nebo/Pioneer Valley

Individuals or 'for-profit' organisations **will not** be considered.

Examples of preferred projects include:

- Projects that increase the capacity of the organisation to allow more children to participate in regular sport over the mid to long term.
- Projects that have an injury prevention or safety focus.
- Projects that have a health focus **beyond** the general health benefits associated with sports participation.
- Purchase of major pieces of equipment that will have a life of a number of years and support participation or club growth.

2026 Junior Sports Development Program QLD Application Form Preview

- Projects that help improve the income streams and the financial viability of the club/association and decrease the financial cost of children to participate e.g. club canteens.
- Hosting of events that are regional, state or larger that contributes to the income of the club/association and of the local economy.
- Projects that increase the organisations capacity for coaching, officiating, administration or safety e.g. coaching courses, officiating courses.
- Projects that improve the governance of a club/association e.g. strategic plans or plans for marketing, volunteer recruitment and management, etc.
- Projects that promote 'life skills' e.g. positive mental health to their club/association members.
- Projects that demonstrate a high level of cost effectiveness i.e. benefit the maximum amount of junior participants for the investment or increase the viability of the club/association.
- Projects that involve collaboration among different sports within the one local area are encouraged.

What will not be funded?

- Paying for or subsidising registration fees
- Funding representative teams to participate in out of area events
- Participation in one-off events e.g. regional/state championships
- Individuals
- Travel or accommodation costs
- Conferences
- Consumables, including sports equipment that lasts for one season or less, ie waterbottles, caps etc
- Ongoing or operational costs of the club/association, eg: insurance
- Projects/events/initiatives that are already complete
- Partial funding of projects where remaining funding has not been secured

Please DO NOT submit multiple funding applications to Glencore Coal sites for the one project.

Choose only the site which is closest to your project location. Multiple funding applications across our site grant rounds will not be considered.

What funding is available?

- Maximum funding per club/association is \$7,500 so as to allow for multiple clubs/associations to benefit from the program.
- Projects that have a cost to the club/association of greater than \$7,500 will be considered however will need to attract additional investment from the club/association and or elsewhere and demonstrate how the entire project will be funded and implemented.

Project/Activity Completion and Acquittal

Projects must be completed within 12 months from the time of funding.

A project agreement will be entered into that will include providing a project report and/or evaluation.

Successful applicants **must** provide a full project evaluation acquittal including reporting on the selected project outcomes via the Smarty Grants system when prompted to do so.

Outcomes

Please tell us about the outcomes you expect to result from your project. Outcomes are the changes you expect to occur for your club.

Alignment with our outcomes

Explanatory notes

Choose at least one and up to 3 outcomes you expect to occur. To add more outcomes, select the "Add more" button below. You will be asked below in the Metrics Section how you will measure each outcome. No more than 1 choice may be selected.	Add notes if you need to provide more context.

Metrics that measure your project

A metric is a measurement designed to indicate whether or not progress towards an outcome is occurring, and quantify the extent to which it is occurring. In this section we would like you to tell us which metrics your club will report on if your application is successful.

Metric

Where are you now?

Collection method

Which of our metrics will you track? Choose at least one and up to 3 metrics that you will measure. To add more metrics, select the "Add more" button below. No more than 1 choice may be selected.	Please tell us where you are currently on this measure (what is your baseline?) Note: If your grant is successful we will ask you again about your progress on this metric in the acquittal. Must be a number.	How will you collect the data? This will help you prepare and gather the right information for your project acquittal. E.g. survey, interviews/ case studies, registration forms, administrative data, observation/estimations.
