About Glencore Coal

Glencore Coal's Community Investment Program supports activities and programs that make a positive contribution to the communities in which we operate.

We are Australia's largest coal producer with mining complexes across New South Wales and Queensland.

In New South Wales we operate in the Singleton, Muswellbrook and Mid-Western Local Government Areas.

To receive funding through this program, applicants must demonstrate how their initiative will make a positive contribution to these communities.

Community initiatives must align with at least one of the following focus areas:

- Health
- Environment
- Education and training
- Indigenous communities
- Identified local need.

What funding is available?

Through this program, we offer support up to the value of \$5,000, for projects and initiatives that align with our key focus areas. We will accept applications to a higher value and assess them on merit and value to the community.

NB: Projects or initiatives that apply for a portion of the total project costs will not be considered unless the remaining project costs are secured - either from the applicant organisation or other funding sources.

Is your community project eligible for funding?

To be eligible, the application must:
